Introductory Comments

This is Applicants' response to the Office Action that was mailed on December 16, 2003 (Paper No. not identified) for which a three (3) month shortened statutory period for response was set.

Claims 1-7 and 10-11 have been finally rejected. The Examiner objected to claim 9 as being dependent upon a rejected claim. Claim 9, which is now amended is rewritten in independent form to include all of the limitations of the base claim (claims 1, 2 and 3) and intervening claims. Applicants have added new claims 12 -16 to accomplish the amendment necessary to overcome the Examiner's objection.

Based on the foregoing, allowance of claims 9, 12-16 is respectfully requested. If anything further is needed to advance the present application, the Examiner is invited to contact Applicants' attorney at the above telephone number.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it contains a valid OMB control number.
